Dedicated To Coach Harold Stout

Coach Stout relaxes during a hard practice.

Because he is greatly interested in the welfare of the students, because he is admired by both students and faculty alike for his exemplification of true Christian living, and because he demonstrates his enthusiasm for competition in every walk of life, we, the Class of 1964, proudly and with great pleasure announce the dedication of this edition of the Milligan College *Buffalo* to Coach B. Harold Stout.

Coach Stout's interest in the students is best personified in the activities in which he is involved. He sponsors the Student Council, the Intramural Council and the Fellowship of Christian Athletes. The latter organization is probably the one achievement in which "Coach" takes greatest pleasure since he is the guiding spirit behind its conception here on campus. As sponsor of the Intramural Council, "Coach" is the coordinator of a varied and highly competitive sports program which involves approximately 80% of the student body and which teaches the Christian virtues of sportsmanship and fair play to all. Through his energetic leadership the Student Council has continued to move forward and become the cauldron from which the bubbling energies of the students have been acknowledged. By his counseling and his willingness to sacrifice of himself and his time for the benefit of others, he has become a symbol of man's faith in man—

not only to the residents of Hardin Hall, but also to the entire student body.

During our four years at Milligan, we have come to know him and love him not only as a respected teacher and friend, but also "Coach." In the spring, when other men's fancies lightly turn to thoughts of romance only, "Coach" talks of "southpaws" and their E.R.A., batting averages, AND Millie. For these and other kind and personal attributes and Christian qualities, we salute B. Harold Stout with the dedication of this annual.

President's Message

A community? People who possess in common something distinctive.

Milligan has a tradition—"Christian education the hope of the world."

Milligan accepts the New Testament as definitive for Christian faith and Church life.

Milligan believes that the Bible must be permitted to speak in every field of learning and in every vocation of life.

Milligan seeks to involve every member of the college, students and faculty alike, in active concern for one another's welfare.

From its center on the campus, the Milligan

community encircles the Board, the Alumni, the Churches, and the friends whose concerned support sustains our fellowship.

Possession of the Milligan spirit enables our community to devote itself to service of good will to all men—wherever and in whatsoever state they may be found.

The Milligan community is one of light in a dark world, one of fellowship in a world of conflict; one of service in a world self-centered; one of hope in a world of uncertain groping.

What a glorious heritage we have—what sobering responsibility!

Student Council

Student Council President Bill Nice accepts a heavy load.

The Student Council is the representative voice of the student body in all matters referring to student life. It is composed of a male and a female representative from each class, the class presidents, and the presidents of the dormitory councils, and commuter's council.

The function of the student government is to provide and maintain a well-balanced spiritual, social, and academic life, and to facilitate communication and coordination between the student body and the administration. The council sponsors various activities throughout the year.

Gospel Teams Sent Out By Club

The Christian Service Club has been one of the most lasting clubs on campus because of the needs it fulfills, for the students and through the students. The club meets every Monday night for songs and devotion. It is a time of spiritual renewal. The club fulfills its name by helping worthy causes in the area, maintaining a prayer room in the administration building, and sponsoring gospel teams. Gospel teams are organized groups which travel to area churches and different states on request, leading in religious services, showing forth the principles and ideals of Milligan College and offering "Christian Service" to everyone.

The Missionary Fellowship is made up of students who study the various aspects of missions and mission work, both at home and abroad. The aim of the club is to help all students to realize the significance of and have an understanding of their motto, "Every Christian a Missionary."

The Missionary Fellowship strives to spread the Gospel through the activities of its members. Two of the activities annually sponsored by the club are the services held at the Washington County Old Folks' Home and gathering clothes for the needy at Christmas. Their annual project is the Campus Spring Revival.

Service Seekers Give Helping Hand

The Service Seekers Club is open to all girls who wish to serve Christ, whether in the home, the school, the community, or the church. Lectures, discussions, and service activities are the basis for club meetings. The club is constantly

Bykotas Promote Christian Character

The Bykota Club is composed of Milligan men with either a major or minor in Bible who are planning service in church-related ministries. The Bykotas provide both fellowship and practical training for ministerial students. The semi-monthly meetings are often presented by area ministers, who share with the members their ministerial experiences. Many of the ministerial students are actively engaged in serving local churches as preachers, associate ministers, youth

directors, or song leaders. The club endeavors to help in the placement of others. The name of the club, taken from the motto, "Be ye kind one to another," indicates its primary goal: to encourage and promote Christian character by applying the teachings of Christ in service to others. Essentially the Bykota Club is an association for the mutual benefit of student ministers with the goal of promoting spiritual growth and providing practical knowledge and experience.

Conceived in doing service, the Collegiate Civitan Club was chartered on April 30, 1963. The club, whose objective is to develop competent leaders of tomorrow, stands for good citizenship through Christian fellowship and high scholarship. This service organization meets bi-monthly for regular business meetings. Arising from these meetings are various committees whose objectives are to aid the school and community. This year the club sponsored the "Design a Flag Contest" and aided in the oral polio vaccine drive. The club's project is to erect a new flag pole on the campus in the near future.

Circle K Petition Group

Circle K is one of the newest clubs on campus. At the present time it is serving as a petitioning group with hopes that it will receive its charter by next year. It is a service organization performing the same functions on the campus as do their sponsors, Kiwanis Clubs. Their motto, like the motto of Kiwanis, is "We Build."

The International Club is now in its third year as a campus organization. The purpose of this club is to promote a more complete understanding between the American students and students from other lands. The foreign students are the regular members, and only they can be officers of the club. Other Milligan students wishing to join may become honorary members. Programs

for the meetings consist of discussions, debates, slides, movies and several social activities including a dinner with a dish from each represented country. Through these programs the members attain understanding and knowledge of the customs, habits, environment, geography, beliefs and ideas of the various countries.

Wakandagi

"Are you sure your dink is two fingers above your eyebrows?" "Hey, you only gave me seventy-five points for washing your car!" These were the familiar cries of weary freshmen during Freshman Week which began September 13. The first morning, each freshman after being assigned to a team, received his cherished dink and name button. The following days were filled with activities from freshman orientation to a "wet" tour of the campus. The first day of Wakandagi was Button Day and it was "always a lovely day at Milligan." Then came Al Day and Alma Mater Day and every day was work day. Climaxing Freshman Week was the Matriculation Ceremony held at Sutton Hall. The Freshmen then became official members of the Milligan College community.

We sing, we work, and we suffer, but we're finally in!

Twirp Week Turns The Tables

After you, Sir!

Twirp Week (The Woman Is Requested to Pay), October 14-19, sponsored by the junior class, was a week of fun and frolic centered around the Roaring Twenties. A picnic supper, Monday, opened the week that officially made the females of Milligan College the dominators over the males. Highlights of the week included activity night, faculty-student basketball game, a hay ride, and the Speak Easy. Doug White acted as judge for the week in the kangaroo court. Sonny Hilton was the prosecutor with Ron Ellis as defender. The arresting officers were Doug Hyer and Sheila Tressler. It was not unusual to see many coeds donning a King College dink or carrying eggs. The kidnapping of Doug White and a revolt against the court officials headed by Bill Nice gave a gay finish to the fun-filled and successful week.

Keep laughing—you may be next.

Founder's Day 1963

Milligan College was founded in 1881 by Josephus Hopwood. In honor of this event, alumni return to the campus each November to renew old friendships and make new ones. This year's "homecoming weekend" began with an abbreviated varsity-alumni basketball game, and the performance of the Senior Play, "Cheaper by the Dozen" on Thursday night. Friday evening at the annual Founder's Day Banquet, the visiting friends and alumni, along with the student body,

elected Miss Nancy Rogers, a senior from Indianapolis, Indiana, and a candidate of the Christian Service Club to reign as the Founder's Daughter for 1963. Due to the snow and rain that fell, most of the decorations which had been diligently worked on for weeks did not get put up. But the theme, "Our Horn of Plenty," was expertly displayed in those projects which did get shown. All in all, this year's Founder's Day was exciting and refreshing.

Patsy and Earl provide dinner music for the banquet.

Valentine Day

1964

Friday, February 14, the annual Valentine Party was held in Sutton Hall with Jack Waugh as the emcee. The theme this year, "Heart of My Heart," was beautifully carried out in the large heart used as a backdrop for the stage and in the red and white table decorations. Entertainment was provided by Paul Conklin and Rod Price, Bob Hull, Jerry Taylor and Barbara Bullis, and a pantomime skit featuring Marsha Bailey, Carol Barker, Lynda Starrett and Jack Waugh. The wonderful evening was brought to a romantic close with the singing of the traditional "My Funny Valentine" by Jerry Carroll.

May Day 1963

"Let There Be Music" was the theme for May Day, 1963 which was held on Hardin Lawn, May 11. King David Eunson and Queen Nancy Conrad reigned over the festivities. After the crowning ceremony, the maypole dance and the entertainment, a reception was held for all the visiting relatives, friends, and alumni.

Sayonara-1963

Sayonara is a memorable event on the Milligan campus. It is the farewell party to the Seniors. The 1963 Sayonara was held in the auditorium. The oriental atmosphere for this semi-formal event was provided by decorations including a Japanese bridge, lanterns, costumes, flowers, and refreshments carried out in the Japanese motif. The program of the evening displayed many talents of the students. Dr. Fife, the class sponsor, recalled many memories of the Seniors' four years in Milligan. The program was concluded with the traditional singing of "Sayonara" by Claire Spotts, a Senior.

Basketball

With only three seniors on this season's squad, the Buffs were yet able to amass 13 wins while taking only 9 setbacks. One of our departing seniors, Rusty Stevens, was the leading scorer of the V.S.A.C. for the major part of this season. Rusty at the season's high point totaled 46 points against Mars Hill, 22 of these points being from the foul line. Dwight Barker also pulled down a season's high of 18 rebounds in this game.

Each member of the team played a part in making our record a winning one. We expect Ken Robinson to be a big help next year. Hiatt hurled out and brought spark to the Buffs' season. Wayne Herndon was a dependable member of the team, being a consistent high scorer. All in all the Buffs put in a good season, that they needn't be ashamed of.

As the linksmen move into their third season at Milligan, continued improvement is expected from our six returning Buff-golfers. In their first two seasons as an intercollegiate sport, the Milligan golfers won the Eastern Division Championship of the VSAC. Last year they placed second in the VSAC tournament. This year, returning lettermen include Captain Bob Kerrick, Larry Poe, Bob Dabney, Karl Justice, Charles Hendricks and Larry Reynolds. The fellows and Coach Stahl all hope to regain the VSAC Championship this year. Last year's team won 6 and lost 6 over-all—5 wins and 1 loss in conference competition.

The 1964 edition of the Milligan Tennis team must do some rebuilding in order to prepare for the defense of their Volunteer State Athletic Conference (VSAC) championship of last year. The team lost its number one and number three men from last year's squad, which completed an undefeated season with a 9-0 record.

Returning lettermen include Bill Morison, Danny Simmons, and Dave Fulks. Some promising "B" team members are moving up for a crack at the top six positions—Mike Newman, Bill Bianci, and Bob Dabney.

If Doc Thompson's men can come up with adequate replacements in the key positions another fine season can be expected.

1963 Track Team

The 1964 Milligan track team is looking forward to another fine season. Once again, our strength seems to be centered in the field events and the distance races.

Last year's edition will be supplying many returning lettermen led by captain Cal Ross, who holds the V.S.A.C. shot-put record with a throw of 47.1'. In practice, however, Cal has thrown for a distance of 49.2'. Another returning record-holder is Jay Weitzel who set a new V.S.A.C. record in the 880 yd. dash with a time of 1:58-1. With these returning men and some

promising freshmen and transfer students our 1964 edition should be more experienced and capable of improving upon our third place finish in the V.S.A.C.

Baseball

This year finds Coach Stout and his baseball boys in the position of improving upon last year's team which was one of the best in the recent history of Milligan College. Last year's team posted an over-all won-lost record of 19-12. In the SMAC we were 5-4, and in the VSAC we were 5-3. There will be a number of returning lettermen back from last year and these will form the nucleus of the squad for this year. Fortunately, graduation did not hit the baseball team quite as hard as some of the other teams on campus. Leading the list of returning lettermen are Don Garland (.300), Phil Hansen (.347), Don Pickford (.233), Randy Wright (.358), John Pickford (.293), Dick Ryan (.320), Ralph Earnest (.261). Among the hurlers who'll be returning are Phil Webster, Lynn Tipton, and Lonnie Lowe.

Intramural Council

The Intramural Council is composed of physical education majors and minors who are interested in the organization and administration of intramurals. Its purpose is to serve the participants so they will have the optimum level of recreation and enjoyment in each sport. Meetings are held every other Thursday and plans are made on the overseeing of each sport included in its program. There is both a men's and a women's council which meets in combined sessions. The two presidents are Jerry Judd and Sally Gray with Pat Harper as secretary.

Officials Association

Officiating is an art. The individual who can develop this art from his basic potentials can become a successful official. The official, who through the influence of his presence, causes players to avoid rule violations, has attained the perfect relationship to the game.

Because poor officiating detracts so much from the enjoyment of spectators and players, and results in dissatisfaction, efforts to improve the quality of officials are constantly needed. This association was formed to achieve these needs.

Class of 1963

The 1964 Senior Class of Milligan College has been one of the most active classes in Milligan's history. The class hiked up Buffalo Mountain for a picnic in their Freshman year. In the Sophomore year the Milli-Gras was begun. Christian Emphasis Week originated during the Junior year. The outstanding contribution of the Senior year was the presentation of the Senior play, "Cheaper by the Dozen." The Senior Class has sponsored the campus movies for two years. The special projects have included: glass backboards for the gym, a new movie projector, and a cinema-scope lens. Through the efforts of the Class of 1964 many worthwhile activities have become the beginning of many Milligan traditions.

On entering their Junior year, the class has more responsibility and leadership. The Vice-President of Student Council is from their class and the annual TWIRP Week keeps the Junior Class busy. As a class they place an exhibit for Founder's Day. In the Spring, the Juniors prepare steaks for the Seniors for the Junior-Senior Steak Fry. They have to keep up their academic point hour to a two-point to become an illustrious Senior. We find the Juniors busy in preparation for their Senior year and looking forward to graduation.

The Sophomores have now become upperclassmen and they take new leadership. They also have the opportunity to pester the Freshmen this year during Wakandagi. We find them more active in clubs and school activities. An exhibit for Founder's Day is placed by the Sophomore Class. In February they sponsor the annual Milli-Gras, which requires much work and cooperation. At the end of the year the Sophomores look forward to their Junior year as they develop scholastically and obtain more leadership.

The Freshmen spent their first days at Milligan College going through the "experiences" of Wakandagi. They then found new challenges in their classes and activities. The Freshman class brought contributions to sports, clubs, and Student Council. They look forward to future responsibility.

We Seek to Serve

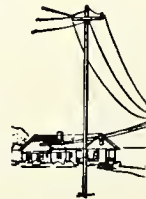

As a responsible member of this community, we seek to serve . . . efficiently, progressively and faithfully.

In addition to providing our area with one of the lowest electric rates in the nation, we participate actively in other areas of community service.

We pay our fair share of taxes and tax equivalents . . . helping to finance the cost of government, schools, and the many community services we all enjoy.

We actively aid our community leaders in search for more business and industry . . . strengthening our area's economy.

We serve, and we are proud! We take this opportunity to congratulate our students, and to say "we are proud of you, too."

Serving this Progressive Area
for more than 18 years!

Just as the year ends, so does the book. The 1964 *Buffalo* has attempted to bring you memories that will last through the years.

We thank the people who have helped make this year's *Buffalo* possible. An appreciation goes to the staff members who offered their wholehearted support. We also thank Mr. Ray Stahl, our advisor, for his guidance and help on photography.

We hope it has been a wonderful year for you and will continue throughout the year.
